https://archive.org/details/jamendo-albums?sort=-publicdate

The Jamendo Albums Collection
This is a script-generated mirror of Jamendo.com, which describes itself this way:

ABOUT
COLLECTION DESCRIPTION
This is a script-generated mirror of Jamendo.com, which describes itself this way:
"Jamendo is the world's #1 platform for free and legal music downloads. Available in seven languages, it offers the largest catalog of music under Creative Commons licenses. For artists, it's an easy and efficient way to publish, share and promote their music, and also to make money, through ad revenue sharing and commercial partnerships."

In all cases, the album contain links back to the original Jamendo pages, which have their own comments and reviews, as well as information about the artists.

==========SOFTWARE

https://archive.org/details/tosec
The Old School Emulation Center (TOSEC) is a retrocomputing initiative dedicated to the cataloging and preservation of software, firmware and resources for microcomputers, minicomputers and video game consoles. The main goal of the project is to catalog and audit various kinds of software and firmware images for these systems.
